Hong Kong, 5 January 2015 – As a leading compliance service provider for hedge funds, private equity firms, insurance groups and other financial institutions in Asia, CompliancePlus Consulting Limited is thrilled to receive Deutsche Bank's invitation to their "13th Annual dbAccess China Conference 2015" held in Beijing. The three-day extensive conference, to be held from 12 January to 14 January 2015 at the Grand Hyatt Hotel, Beijing at Oriental Plaza, will bring together hedge fund managers, corporate executives, industry experts and regulatory bodies to discuss key issues faced in the China financial market.

Ms. Josephine Chung, Director of CompliancePlus, expressed her gratitude for receiving Deutsche Bank's invitation to attend and speak at the event. Josephine will give a brief presentation on licensing and hedge funds setup issues in Hong Kong.

"In recent years, many fund managers from mainland China came to establish their own business in Hong Kong. They need to hire experienced professionals, build up infrastructure and set up a system for their operation and business in Hong Kong. Additionally, they need to have a thorough understanding of compliance and the regulatory requirements of the finance industry in Hong Kong. Over the past years, we have been providing practical solutions and guidance to these fund managers from mainland China to overcome their challenges, assist them in obtaining the SFC license successfully and support them with our on-going compliance services." said Josephine.

CompliancePlus offers award-winning proactive and practical compliance solutions and recommendations to private fund managers, hedge fund managers, fund management companies and financial firms and institutions in Asia and the world to help their staff meet their compliance obligations and conform to local regulatory compliance requirements.
