

### PRESS RELEASE

29 December 2014

Hong Kong, 29 December 2014 – CompliancePlus Consulting, a compliance consulting company based in Hong Kong, is pleased to sponsor the Alternative Investment Management Association (AIMA) in Asia 2015 Forum on 22 January 2015 at the Hong Kong Convention and Exhibition Centre. The event will be AIMA's first regionally themed forum to bring together some of the key policy and regulatory figures, hedge fund managers and other thought leaders from Asia-Pacific to discuss about the hedge fund industry in the region.

“As the hedge fund sector becomes increasingly institutionalized, it seems clear that managers have started to come under even greater scrutiny, especially from regulators. The tightened regulations after the global financial crisis have now started to come into effect, creating a complex environment of regulatory change for those operating in the hedge fund sector. For the sector to achieve growth through this era of fundamental change, fund managers will need clear insight into the challenges posed and solutions to grapple with compliance requirements.

As an award-winning, industry leader providing compliance solutions and insights to financial institutions and hedge fund managers in Asia, we proudly sponsor the AIMA in Asia 2015 Forum and its discussions. CompliancePlus stands ready to provide our compliance solutions to those operating in the hedge fund sector,” commented Ms. Josephine Chung, Director of CompliancePlus.

CompliancePlus offers award-winning proactive and practical compliance solutions and recommendations to private fund managers, hedge fund managers, fund management companies and financial firms and institutions in Asia and the world to help their staff meet their compliance obligations and conform to local regulatory compliance requirements.
