## PRESS RELEASE

30 November 2015

Hong Kong, 30 November 2015 – White Doves not only is a symbol of love, peace and freedom, but also the name of a non-governmental organisation which has served in Siam Reap, Cambodia for the past 7 years. ([www.whitedovescambodia.com](http://www.whitedovescambodia.com)) White Doves provides reading and writing classes in Khmer, basic English training, family planning counselling and vocational training to females, who leaves the sex industry for a regular employment.

CompliancePlus shares White Doves' belief and has committed a 2-year financial support to them since 2014.

Ms. Josephine Chung, Director of CompliancePlus, shared, "When I first came across White Doves, I was deeply moved by their passion and efforts. I was heartbroken to know so many people struggling with a mere hope of survival. With the privilege of living in Hong Kong, a peaceful and well-developed city, I enjoy my rights, opportunity and education for granted. Thus, I sincerely hope our contribution can make a difference to the fates of these misfortunates."

CompliancePlus offers award-winning proactive and practical compliance solutions and recommendations to private fund managers, hedge fund managers, fund management companies and financial firms and institutions in Asia and the world to help their staff meet their compliance obligations and conform to local regulatory compliance requirements.
